

## Wildlife Talks Volunteer

### Team

City to Coast

### Responsibilities

- Leading in the delivery of 30-minute talks to schools from nursery age through to key stage 2 using an NWT education tool kit. The educational toolkit themes are How You Can Help Wildlife and a Beginners Guide to Wildlife of the North East.

### Existing skills and experience needed

### Essential or desirable

Full training in the use of the educational toolkits will be given  
Experience of delivering talks  
Experience of working with children (primary age)  
Wildlife knowledge appropriate for delivering activities to primary school children

Essential  
Essential  
Desirable

### Skills development offered

- Full training in the use of the educational toolkits will be given
- Training in relevant health and safety and child protection policies and codes of practice
- Training in delivery of wildlife activities to children
- Opportunity to attend volunteer training events offered by NWT
- Opportunity to build environmental education experience and leadership skills for career development

### Support available

- Vehicle mileage and public transport costs will be reimbursed
- Personal protective equipment will be supplied when needed

### Time commitment needed

We are looking to build a pool of volunteers who can sign up to an on-going list of events. We expect opportunities to come along about one to three times per month.

### Any other relevant information

- NWT operates a comprehensive Health and Safety policy that all volunteers are required to adhere to
- An enhanced DBS check **may be required** in certain situations. This will be carried out by Northumberland Wildlife Trust at no cost to you.
